November Dinner

Our November recipient was Jessica Mojica. Jessica's 12yr. old son, Nathan, was diagnosed with a GBM-brain tumor. We had a wonderful dinner at Chalet Basque Restaurant for her, with around 91 ladies who attended! We were able to gift Jessica with over \$2,119. Great job ladies!! It was a beautiful night of support from family, friends, and new friends. Thank you ladies for attending and helping out this sweet family. Jessica really felt our support and is very appreciative. Keep up the great work HOW Bakersfield!

January Recipient

Our January recipient is Donna Borntreger. Donna was nominated by Andrea Vargas, Francis Tucker and many other ladies from American Elementary school. Donna was diagnosed in 2004 with breast cancer and after undergoing chemo. and radiation, was in remission for 3yrs. She then found out the cancer was back and it was in her breast again and lungs. She had more chemo. and most recently it has spread into her bones in her back and neck, as well as her breasts. She is very weak and tired and is unable to work. Throughout this devastating time, Donna is very optimistic and says she appreciates all of the blessings in her life. She is blessed with her husband Lonnie who takes great care of her, and her 2 children-1 in 8th grade and the other in 10th. Please join us for a girls night out while giving support to Donna that she so needs. Spread the word, forward this to any women, come to the dinner, and let's make this a great night!
