build our Chapters. The more
women we bring the more
women we can HELP!

*Our Recipient this month is **SHANNON MOSELY** a
49 year old woman that has been diagnosed with Stage 4
Breast Cancer. Shannon has already gone through Chemo
and now that she has had her Mastectomy is undergoing
Radiation. We did honor Shannon in March; however we
had a very small showing and felt we should support her
one more time. Shannon's mother, Karen has been her
main support system both emotionally and sometimes
financially when Shannon's limited disability income
doesn't go as far each month.*

*Shannon has a strong spiritual belief in God and has
placed her recovery in his hands. She knows that this
journey would have been impossible to bear without her
faith and God in her life.*

*Shannon wants other women to be aware of their
bodies, to know the importance of monthly self-exams and
regular mammograms. Shannon hopes that soon she will
feel well enough to join us soon in Helping Other Women!*

The Clovis Chapter of Helping One Woman will honor a recipient each month whose name is drawn from nominations offered at the previous month's luncheon. H.O.W. attendees purchase their own meal and provide a \$10.00 cash donation at each month's lunch. This monetary gift our participants offer to each recipient is a wonderful supplement to help them during their time of loss; however, the overwhelming emotional and heartfelt support that we give our recipients is the energy behind the Helping One Woman Organization. It is powerful and and healing and your support is greatly appreciated!
