Stephanie Sly lost her husband Scott Anthony Sly on September 19, 2011 to Leukemia. Stephanie was able to be by Scott's side when he passed away in Fresno, Ca. Scott graduated from Buchanan High School in 1996. He worked as a letter carrier for the United States Postal Service for about 12 years.

Scott and Stephanie were married on January 5, 2004. They have three beautiful children together. They have a daughter Madison who is 5 years old and they have two sons, Carson who is 3 and Jackson who is 2. Scott and Stephanie enjoyed evenings with family and friends having barbeques and watching movies on an outside projector.

Stephanie works for Madera Unified School District, where she works with the deaf and hard of hearing. Scott and Stephanie loved going places and doing fun things with their family. They created many memories at Disneyland with their children. They also loved going to Dinkey Creek near Shaver Lake and to the coast at Morro Bay. Stephanie and Scott were always on the go, finding new things to do constantly.

Stephanie's sponsor, Becky Cutler said Stephanie was honored to be selected as the honoree for the month of October.

The Clovis Chapter of Helping One Woman will honor a recipient each month whose name is drawn from nominations offered at the previous month's luncheon. H.O.W. attendees purchase their own meal and provide a \$10.00 cash donation at each month's lunch. This monetary gift our participants offer to each recipient is a wonderful supplement to help them during their time of loss; however, the overwhelming emotional and heartfelt support that we give our recipients is the energy behind the Helping One Woman Organization. It is powerful and and healing and your support is greatly appreciated!
