Please forward this newsletter to everyone you know, we need to build our Chapters. The more women we bring the more

Estella Salcido was diagnosed with breast cancer in March, 2011 and had surgery in April. She is currently undergoing chemotherapy and when she finishes she will start radiation.

Her friends describe her as a really strong woman, and her Christian walk and belief in Christ keeps her focused as she strives to be more like him. Estella's belief is we can make life around us a better place by having a good attitude.

Estella is married to Ben for almost 30 years and they have two grown sons, Ben and Shawn. Estella also has 5 beautiful grandchildren she adores.

Estella worked as a certified Nurse for 12 years, but discovered that she really loved applying makeup and doing hair, so she became a Cosmetologist and has been self-employed for 23 years. Estella really loves spending time with her family first, but her true love is running, swimming, cycling and hiking. She is very involved with a running club, but loves to compete in marathons and triathelons.

Estella would like to thank all of her friends and Helping One Woman for their support through this very difficult time in her life.

The Clovis Chapter of Helping One Woman will honor a recipient each month whose name is drawn from nominations offered at the previous month's luncheon. H.O.W. attendees purchase their own meal and provide a \$10.00 cash donation at each month's lunch. This monetary gift our participants offer to each recipient is a wonderful supplement to help them during their time of loss; however, the overwhelming emotional and heartfelt support that we give our recipients is the energy behind the Helping One Woman Organization. It is powerful and and healing and your support is greatly appreciated!
